The girl who was half cat

Once upon a time, a young couple had a child, who was part-cat. They were poor and lived in a cottage in the woods. The child's name was Cathrine.

Five years later, her parents died. Now, she lives with her grandma and loves nature. But society doesn't like her.

One day, she went for a walk peacefully and she saw an army of dogs boys in thier dog form.

The dogs chased her and said "HEY LOOK WHAT WE GOT HERE". So then, she ran to the cottage. She rushed into her mother's room. There, she found a jewelry box with a necklace in it. The necklace could grant wishes.

She wished she could talk to animals. Shortly after, a war started so she teamed up with all the animals in the forest and she won the war. After she won, society accepted her and thanked her.

Eleven years later: she was crowned Queen of all the land and lived happily ever after.
